PRESS RELEASE

NEW PEARL ELECTRIC TOWEL WARMERS...

AVAILABLE IN TWO FINISHES

Your towels, lingerie, baby blankets or robes can be toasty warm and mildew free. The new 24" wide, affordable Pearl Collection is manufactured from high quality stainless steel in *matte* and *bright stainless* finishes that won't flake or chip. The surface is durable and corrosion resistant. The illuminated On/Off power switch lets you know when the Towel Warmer is ON. The Pearl carries an ETL approval for domestic and commercial use. The heating element which uses less energy than a light bulb, and is so safe that it can be left on 24 hours a day, 7 days a week. The Pearl Collection is available in 2 plug-in, wall mount units offering 8 bars and 10 bars, and a portable floor model with 8 bars. The Pearl is backed by Myson's 2 year warranty.
